ALEXANDRIA, Va., Aug. 28.—Is- suing of permits to pupils to attend the public schools of the city will start next Monday morning and will continue three days. The schools will reopen on September 11. The present temporary arrangements for clerical assistance to the superintendent's office will be continued.

The school board has before it a resolution increasing the salary of the superintendent of schools \$600 per year, but this resolution was held over, as a point of order was raised to its passage at the last meeting.

The funeral of the late Henry C. Zimmerman was held from St. Mary's church at 10 o'clock this morning. The Rev. L. F. Kelly, assistant pastor, conducted a mass of requiem and the burial was in St. Mary's cemetery.

Mrs. Olean Simpson Robey, wife of David Robey, died at her home, 430 South Lee street, yesterday morning. Mrs. Robey had been in failing health for some time. She is survived by her husband and two children. Funeral arrangements have not been completed.

A meeting of the city Republican committee will be held this evening at the rooms of the Chamber of Commerce, corner of Fairfax and Cameron streets.

He was taken to the hospital and identification made by a watch he wore. Police headquarters in this city was notified that a man answering the description of the missing Alexandria man for whom a circular had been issued was in the hospital in Philadelphia. Charles T. Holden, the son, went to Philadelphia and found his father, who died without regaining consciousness.

SLAVS READY FOR ASSAULT UPON AUSTRIA

Credited With Aligning Czechs in Plan for Occupation and Partition.

By Universal Service.
BERLIN, Aug. 28.—In 1922 Jugo Slavia and Czechoslovakia signed a secret military convention of the occupation and partition of Austria, according to advices from Vienna today.

This information is alleged to come from reliable diplomatic sources and would seem to indicate that the general staffs of the two countries have worked out the plans of operation to the most minute details, even to an agreement upon the forces to be used and the general command.

Revolution in Vienna as a result of Austria's futile appeals to the League of Nations to save it from chaos, it is declared, would give the Czechs and Jugo Slavs the desired excuse to march in and occupy the country.

According to the agreement the Czechs operation would be under General Podhajsky, with Colonel Sipek as chief of staff. It is planned to come from the direction of west Hungary through Pressburg while the Jugo Slavs move northward through Steinmanger.

F. S. Peabody Dies.

CHICAGO, Aug. 28.—Francis S. Peabody, multi-millionaire and national figure in the coal industry and Democratic politics, was stricken with heart disease and died yesterday while a spectator at the first hunt of the season at his estate at Hinsdale, Ill.

WOMAN'S PRAYERS

ROUT ASSAILANTS

NEW YORK, Aug. 28.—Her prayers and the statement that she is the mother of three children saved Mrs. Mary Pollack, a ticket seller at the Twenty-fifth street station of the Fifth avenue elevated, Brooklyn, from an attack when a man on watch, while two men were attempting to rob her interceded in her behalf.

The three men, whom Mrs. Pollack only could identify as probably American and young and wearing light cloth caps, ran away. Mrs. Pollack dragged herself, torn and bruised, to the steps of the elevated station, where she collapsed.

Mrs. O. Swanberg, the woman Mrs. Pollack was coming to relieve at the ticket window, telephoned the Fourth avenue police station.

Dr. McInnes, of the Norwegian Hospital, treated her for shock and bruises.

Steady Sessions Necessary to Pass Measure Before Elections.

By WILLIAM K. HUTCHINSON, International News Service.

Administration leaders today planned to keep the House and Senate in session for the next two weeks in an effort to enact the Fordney-McCumber bill into law before the adjournment over election.

With tariff conferees again at work on adjusting differences in rates as passed by the two bodies, leaders hope they would complete the bill by Sept. 15. If this is done, it was declared the tariff would become a law before the end of the month.

It was indicated today the Senate would be held in session by the bonus and in enacting necessary coal legislation desired by the President.

In the House, however, Administration leaders were confronted with a problem for Congressmen last week had begun to desert, preferring to return to their election problems at home rather than stay in Washington with only routine matters to hold their attention.

The action of House leaders in rushing through coal legislation, it was believed, would keep a steady attendance during this week but a real effort must be made to hold a quorum next week. Passage of the bill by the Senate will not affect attendance in the House as the bill, having already been acted on there, will only be sent to conference.

Friends of Democratic spokesmen for an announcement from Republican Leader Mondell, in the House, on his legislative plans for the next month indicated their desire to recess over election.

AUTOS IN AUSTRIA COST ONLY A FEW MILLIONS

Purchasing an automobile in Vienna, Austria, is a matter of high finance and involved accounting, according to a report to the Commerce Department from American Consul Kemp.

Prices on the types of cars prevailing on the Austrian market, Kemp reported, are nonchalantly quoted between 2,000,000 and 2,500,000 crowns, and they vary with the shifting exchange.

JUDGE ADVISES BEATING FOR CAVE MEN WOOLERS

NEW YORK, Aug. 28.—A hospital is a better place for a cave man wooer than a court room.

Magistrate Hatting made that statement today when told that John Hooker was made the target of the fist of Elizabeth Leibra's escort.

Hooker was accused of being so devoted to Elizabeth that he attacked her escort and attempted to carry her away bodily.

Elizabeth's escaped, policemen arrived and the rough handed courtship ended in the hospital.
